Dear Principal,

Invitation for the Application of Form One Places (2021-2022)

Due to the situation of COVID-19, we will not organize the Information Day for parents and students in November this year.

I am writing to invite the outstanding primary six students of your school to apply for our F.1 places (2021-2022). Attached please find the school prospectus and 10 copies of the application forms. Please feel free to make extra copies if necessary.

For further information about our School, please visit our School webpage. We have posted the application form, application procedures as well as the special programmes of our school from F.1 – F.6 and a virtual tour for your reference :
